## The Caledonia Chandelier

PROUDLY MADE IN VERMONT

Inspired from the twilight glow of vintage street lights in the Caledonia countryside, Simon Pearce Head of Design and Product Development James Murray created this lighting design after driving through the Northeast Kingdom countryside during the winter months. The result is our latest handmade glass chandelier, available in both 3-globe and 6-globe styles.

**3-Globe** | 29.7–63.4" x 28" x 24" | \$4,660

**6-Globe** | 38.7–72.4" x 33.5" x 30" | \$6,760
