CORPORATE
PRODUCT GUIDE

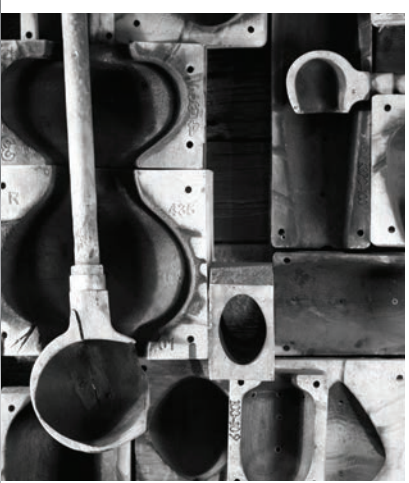

IF OUR PONTIL IRONS COULD TALK...

They would tell tales of hundreds of thousands of whiskey glasses, evergreens, hurricanes and beyond they've held to the fire.

Potters' wheels would clock infinite turns round and round as stunning vases, lamps and dinnerware took shape.

Each humble tool plays an integral role in helping our makers create pieces destined to become part of the lives of those who love handmade design.

We're proud to have brought these perfectly imperfect, thoughtfully handmade creations to homes around the world over the last half-century – and look forward to sharing the latest, along with our forever-favorites, with you and your customers for many years to come.

50 YEARS OF DESIGN

1971 – 2021

The human hand can't do anything perfectly – and that's the beauty of it.

Honoring perfect imperfection has become my life's work. I'm inspired by textures and patterns found in nature, translating them to designs in glass and pottery.

When I opened my first shop in Kilkenny, Ireland in 1971, I never would've dreamed that five decades later I would have the privilege to share my products with so many of you.

I'm deeply grateful for our makers, our teams that work to bring products to our customers and all of you who have brought our pieces into your homes.

Thank you for sharing this journey with me.

The perfectly imperfect impression of the pontil iron is a signature of our brand and a reminder of the human element of the glassblowing process.
